

Kiddush MENU

Welcome to Bpark's kiddush menu!

If you wish to book your kiddush through shul, all you need to do is look through the menu, select some items that you fancy, and we will advise on quantities. Or to make it even easier, we have three sample menus at the bottom of the main menu which you can order exact or tweak to your liking.

After you've agreed the quote, we will take care of all the details and we will ensure you have a stunning set up.

- We provide linen, cutlery, plates, soft drinks glasses and tots for 200 people. If you need more, or wish to have different glassware or linen, we will advise on hire cost and will sort it out for you.
- If you are having more than 120 guests at your Kiddush you may need waiting staff. We will discuss with you, advise on the cost and book them.'
- If you wish to provide your own alcohol or extra soft drinks you are very welcome to. Please let us know when you will be delivering it and we will set it out nicely on the day. Please check it's on the kosher list before purchasing by clicking this link:
